## Administration of Justice

### Administration of Justice AS-T Degree

The Associate in Science in Administration of Justice for Transfer degree provides introductory and journey level course work in Administration of Justice for local, state, federal, and private enterprise levels. Student development is enhanced with philosophical, statutory, practical, and tactical experience. Students will be prepared to work in a variety of fields, including public law enforcements agencies such as municipal police, probation officers, county deputy sheriffs, correctional officers, game wardens, state parks and private security.

The Associate in Science Transfer degree is intended for students who plan to complete a bachelor's degree in Criminal Justice or a related field of study in the California State University System. Students will be prepared to study in the following areas; Administration of Justice, Law Enforcement, Correctional Administration, Social Science, and Pre-Law. Students completing this degree are guaranteed admission to the CSU system, but not to a particular campus or major. Students transferring to a CSU campus that accepts this degree will be required to complete no more than 60 units after transfer to earn a bachelor's degree.

#### Program student learning outcomes:

1. Students will explain the legal processes of the criminal justice system.
2. Students will list and describe the components of the criminal justice system.
3. Students will compare and contrast the theories behind effective policing and crime prevention.
4. Students will compare and contrast three theories of criminological behavior.
5. Students will write a research paper using APA format.
6. Students will write a case brief from a U.S. Supreme Court Case.
